

Ag Credit Act

(CONT. FROM PAGE 1)

Industry will immediately launch an educational program to acquaint producers with it and earliest projected date for another vote would be some time in 1979. USDA figures late in 1979

objected to USDA control and various other aspects. It is expected the beef

When the beef promotional plan was involved in hearings before Congress there was considerable opposition from consumer and union labor advocates. These interests sought to force representation on the 68 member board which would be administered by this board subject to approval and appointment by USDA. The aim of the project is to coordinate research and information to improve, maintain and develop markets for cattle, beef and beef products. Projected check-off would be 0.3% (three-tenths of one percent) resulting from the sale of cattle. Producers could demand and get a rebate and certain breeding cattle might be exempted.

Another portion of the bill extended the Emergency Livestock Loan program through 1979. It also made eligible owners of livestock in custom feedyards for guaranteed loans by the Farmers Home Administration. The \$4 Billion Agricultural Credit Act also raises the FmHA ceiling on insured operating loans to \$100,000 and farm ownership loans to \$200,000. The ceiling on guaranteed loans goes to \$300,000. The Act also removed the 7% ceiling on interest on guaranteed loans in favor of interest rates nego-

dated between borrowers and lenders. The Act extends eligibility for FmHA loans to farm corporations, co-operatives and partnerships, depending on eligibility otherwise. It would allow FmHA credit refinancing of existing debt up to \$400,000 and payouts for up to 40 years, provided the debts were incurred within the past 5 years.

There are admittedly some had ap- ples in the Government barrel in Con- gress, in the Administration and in the Bureau and the problem we have is how to get rid of them and let the honest and fair people proceed to run the Government. Whether Koragatze was a whitewash, or not, depends on your politics. However, the problem still remains, as to how to avert coverups of malfeasance in Government. In a short year and a half, the Carter Administration has had its share of "news events" or "scandals" or whatever you choose to label 'em.

It is said that Secy. of Agriculture Bob Bergland has a plan under way to "punish" Dr. Robert Angelotti, head of USDA's Food Safety & Quality Service and right-hand man of Assistant Secy. Carol Tucker Foreman. When Ange- lotti's tour of packing plants under his jurisdiction with one Herb Silverstein, a consulting firm involved in meat packing accounts, surfaced, it was headed suspect since Angelotti ap- parently accepted favors from Silverstein in makin' his trip.

Latest information is that Angelotti is due for a "reprimand" and a possible suspension. This move rather mild and if the facts are as they have been reported, it would seem Angelotti's value to the Administration was scrub- bed and he got to move elsewhere ei- ther with a resignation or by firing. The coverups continue as in the case of Dr. Bourne, Bert Lance and others who had to leave Government amid charges of various kinds. All quiet on the Administration Front and the Con- gressional Front so far as Koragatze is concerned.

It appears the time has come to turn up the heat in the Government's Ki- chen and the first opportunity you and me will have will be in November and it is to be hoped that will mark the time when decency in Government angors the people as much as the Tax Revolt.

Ever thine,

P. S. S. Uncle Dunk notes where USDA's Carol Tucker Foreman says even quarterly inspections of Foreign Packing Plants is too expensive, yet she breaks out in a rash over her sus- picions that somebody might sell some meat to a customer the was gradud wrong. Reminds us of the "Box-X" Cattle Co. ran in the Fort Worth Star Telegram at the time President Carter made his visit last June. It read "HOUSEWIVES" To guarantee BEEF

IT IS OUR BELIEF THAT EACH SUCCEEDING GENERATION OF BRAHMAN CATTLE RAISED ON THE M RANCH SHOULD BE BETTER THAN THOSE OF THE YEAR BEFORE. IF THIS WERE NOT THE CASE, THERE WOULD BE NO SENSE IN TRYING TO ESTABLISH A TOP HERD OF BRAHMAN CATTLE. WE ALSO BELIEVE THAT EACH YEAR OUR CUSTOMERS ARE BECOMING MORE SELECTIVE, AND WE HAVE TO KEEP UP WITH THOSE DEMANDS OR FALL BY THE WAYSIDE. AT M RANCH, OUR CUSTOMERS ARE THE BOSS, AND WE DO OUR BEST TO BREED THE TYPE ANIMAL THAT WILL DO THE JOB FOR THEM. WE'VE BEEN HERE FOR MORE THAN THIRTY YEARS SO WE MUST BE DOING SOMETHING RIGHT. OF COURSE, THAT IS A REFLECTION OF OUR CUSTOMERS. THAT'S THE WAY WE DO THINGS AROUND HERE.

The Prime Minister today was handed a note at London Airport from special U.S. advisor on inflation, Mr. Robert Strauss, stating that the U.S. required Australian beef urgently. Mr. Fraser (the Prime Minister) is reported to have replied that Australia could supply 70,000 tonnes.

The article went on to credit Mr. Fraser by stating, "The American breakthrough appears to have been achieved by hard bargaining of the Prime Minister on his recent U.S. visit."

Notice the sad irony where the Australian government leader is credited by his own people with hard bargaining in behalf of an industry while the same industry in America was sold down the river by its leader.

The instant reaction in Australia resulting from the quota announcement was to plan production for next year's beef shipments. Reports in the same newspaper indicate an increase of 100,000 tons is being planned. This will bring the total imports from Australia to 400,000 tons.

Is it possible, due to their advance preparation, that the Australians know something we don't?

Since the Australian pipeline for influence and news is obviously much better than ours, we should definitely take heed.

Where can we go for help? Can we go to the Secretary of Agriculture, the first and most obvious source of assistance? No, Mr. Berglund recently said, "The dilemma is that we are sympathetic to the need for recovery in the cattle business but the import-related proposals before Congress are unacceptable to us."

Note the key words in his statement.

He said "we" and "us". You and I must assume that "we" and "us" refer to the administration. The import-related proposals he referred to is the counter cyclical method of determining import quotas on foreign beef which was beautifully proposed and written by our National Cattlemen's Association and endorsed by the Senate.

We did a great job, up to the critical point. We presented a solution to a problem. In this instance an import quota bill, but we didn't sell it. We ran out of gas. We found ourselves to be powerless. President Carter was looking for a solution, received advice and direction from another source, decided against endorsing the concept, yet opened up imports of foreign beef which the legislation proposed would have called for.

So what happened? We now are aware that a deal had been made between President Carter and Prime Minister Fraser. We also know that the presence of a National Cattlemen's Association representative to appear with the President when he made his decision public had been requested. Of course the invitation was declined by NCA because the Pres-

ident would not reveal his decision to NCA.

In effect, it is now perfectly clear that to maneuvering before the announcement that the intent was to destroy the recent optimism in the beef industry.

The American Cattlemen were optimistic in the future of the business and were expanding their herds. After several years of liquidation followed by expansion efforts, a temporary serious shortage of beef at the retail level came out. The novice approach to the problem was strictly psychological: destroy optimism and cause further liquidations which would result in an immediate increase in supply at the retail outlet.

Did their plan work? Yes! As proof, one large feedlot in Kansas complained that their inventory value decreased by \$7 million in one day following the announcement of raising import quotas.

The drawback with the psychological solution is that it is, first, strictly psychological, and second, it is temporary.

The psychological effects will not create more cattle and will probably cause the existing cow herd population to decrease even farther. The end re-

Ada Summer Quarter Horse Sales Set August 18 and 19

Ada, Okla. — Pete and Kenneth Winters' Ada Quarter Horse Sales, Inc.'s Summer Quarter Horse Sale will be held here Aug. 18 and 19. The finest horses ever assembled for an Ada Quarter Horse Sale. "It's our tradition at Ada Quarter Horse Sales, Inc. to market horses at the highest market value as well as to present the very best of top quality horses. Anyone who is looking for any type of good horse will find a big selection of them here, and everybody is certainly welcome to attend these sales," said Pete Winters. He added that there will be running, working and halter horses, and an especially large group of geldings and performance horses. "This is certainly one of the best groups of horses we've ever had at auction," Winters said. The Ada Quarter Horse Sales have become famous throughout the nation for hosting sales on fact, not fiction; for being first in quality, quantity and complete sales, and for offering top horses with the best facilities, auctioneer and ringmen. "Those things have made this the Nation's leading Quarter Horse sale and one of the greatest consignment sales in the world," he said. Winters added that the sale has been booked full and many horses turned away for the past several weeks. For further information contact Ada Quarter Horse Sales, Inc., P.O. Box 1385, Ada, Oklahoma 74820, phone 405/332-9712; Pete Winters, 405/777-2773, or Kenneth Winters at 405/332-8657.

Auctioneer will be Stanley E. Stout, Linwood, Kan. Randall L. Dwyer, D.V.M., is official sale veterinarian.

The cattle will be available for inspection after 1 p.m. sale day. For more information and sale catalogs contact, Ankina Farms of Texas, Inc., Route 1, Box 215, Ada, Texas 76008, phones 817/441-9136, 441-8234, 441-8840 or 441-8349.

Brucellosis Indemnity Upped for Cattle

The U. S. Department of Agriculture has increased the brucellosis indemnity rates for cattle by a maximum of \$160. The new rules also require the initiation of payment for certain female calves. The federal government indemnity rates are now \$250 for registered cattle, \$160 for non-registered dairy cattle and \$25 for heifer calves destroyed because of brucellosis — up from \$100, \$50, and zero, respectively. The \$50 rate for non-registered beef cattle remains unchanged. Paul Beaton, director of brucellosis eradication for USDA's Animal and Plant Health Inspection Service, said the rate increase for specified non-registered dairy cattle was necessary because their value exceeds that of cattle not included in the raise.

Texas petroleum industry employs some 279,000 persons (about one out of every 17 Texas workers) with wages of \$4.8 billion annually.

Texas consumes 8.6 billion gallons of gasoline a year, ranking second behind California.

AMERICAN RED BRANGUS ASSOCIATION NEWS

The Slight Edge

By John Sosnowy
During the past month, LaGayle and I have had the opportunity to do some traveling around the state mixing business with pleasure and we've had the pleasure of inspecting some of the finest cattle in the world... Red Brangus, of course!

While reflecting on our trip, I began thinking about the differences between registered breeders, those who consistently get top prices for their cows and those who have difficulty in moving their cattle at all, except through the auction ring - what really makes the difference? When you look

at the cattle, there really doesn't appear to be that much difference, if any at all. Certainly one man's cattle are not twice as good as another's and yet he receives twice as much for his calves, maybe even more.

And then I realized that the livestock business isn't really any different than any other business or sport. It's just a "Slight Edge" that separates the winners from the losers - only one more bit in every ten times at bat separates a Red Carew (\$300,000 per year) from a journeyman ball player in the big leagues (\$30,000 per year).

Maybe just ten minutes a day of record keeping on your herd would give you the "Slight Edge" you need in evaluating performance. Or maybe just one pound a day per head of the right supplement would give your cattle the "Slight Edge" to reach their full genetic potential. Even just \$10 spent for a classified advertisement on your bull calves for sale might give you that "Slight Edge" in commanding a premium price.

Now some people say "I tried that once and it didn't work for me" but nothing worthwhile was built by trying once. The Paleface Ranch has been

at this Red Brangus business for over 30 years and yet Mike Levi tells me that if he continues to do a real good job then his grandchildren might really have something.

I know Mike is being a little modest but the point is a good one! Putting it another way, a big shot is a little shot that just keeps on shooting.

In the Red Brangus breed we are fortunate that we do have the right kind of cattle for today's market - That gives us one "Slight Edge" going in - and I believe that we as individual breeders can expand on that "Slight Edge" by: 1. Advertising - If nothing more than well placed roadside signs (available thru the ARBA Office), 2. Keeping neat, clean facilities (looks like you're successful but not extravagant), 3. Keeping your best cattle next to the road and all cattle in proper condition, 4. Keeping basic performance production records for your benefit in making management decisions as well as marketing cattle.

(ARBA Office is preparing record systems for sale to members), 5. Establishing name and reputation in local communities (One good way is thru the PFA and 4-H events).

Ultimately your success and my success as Red Brangus breeders comes from becoming known in our area as the person with better cattle than our neighbor or the man down the road. That's the "Slight Edge" that brings buyers back year after year.

Heifer Futurity
Sept. 1, 1978 is the deadline for sending in final payments of \$50 for the First ARBA Superior Quality Red Brangus Heifer Futurity for those entrants who elected the installment plan.

At this time please send in the ARBA number of the heifers nomi-

Replacement Cattle Prices Were Mixed During Past Week

St. Joseph, Aug. 4 (USDA) - National feeder cattle and calf receipts this week 210,900, compared to 217,800 last week and 185,000 a year ago. A highly uneven price pattern for feeder cattle and calves emerged this week. Substantial price losses for slaughter steers and heifers was at least one factor providing considerable uncertainty among feeder buyers. Although cattle under 600 lbs. were in limited supply and not well tested at any markets, those areas found a ready outlet and moved at prices no worse than steady.

Other feeders particularly fleshy offerings suitable for a short turn in the feedlot were most generally pushed in the same direction as the sliding slaughter market. Prices on the river ranged weak to 2.00 lower while Sioux City and Kansas City experienced losses amounting to as much as 4.00 with fleshy offerings often at the full decline.

Oklahoma City, Dodge City, Springfield, Mo. and Arkansas ranged steady to 2.00 lower. On the other hand, Amarillo, Iowa and Kentucky saw prices (top firm) to 2.00 higher. Instances of 1.00 up in Kentucky Tennessee had steers steady to 2.00 lower but heifers steady to 2.00 higher.

The Southeast exemplified trading across the U.S. on a smaller scale with very erratic price trends showing steers steady to 2.00 higher, except choice calves under 400 lbs. 1.00-2.00 lower in Alabama and all weights and grades weak to 2.00 lower in Mississippi; heifers sold steady to 2.00 higher, except Mississippi weak to 3.00 lower.

In the mountain and far West states prices evened out with most locations, both auctions and direct dealings, ending price gains from firm to as much as 2.00.

River markets: 20,500. Steers - few choice 300-600 lbs. 66.00-71.75, some thin and quiet in Kansas City 73.00-75.00; 500-600 lbs. 63.00-69.00; 600-700 lbs. 59.25-65.00, mostly 63.00-66.00; moderately fleshy and fleshy 700-800 lbs. 57.00-62.00, some to 63.00 and 64.50 in St. Joseph and Sioux City; moderately fleshy and fleshy 800-900 lbs. 53.00-58.40; fleshy 900-1100 lbs. 51.00-54.00. Few to 56.00 in Kansas City. Heifers - few choice 300-400 lbs. 60.00-66.75, few 400-500 lb. 58.00-63.00, 600-800 lbs. 55.00-62.50, some fleshy down to 54.50, 600-700 lbs. 55.00-59.50. Moderately fleshy and fleshy 700-800 lbs. 51.50-56.25, some to 57.50 in Kansas City; fleshy 800-900 lbs. 49.00-55.30.

Dodge City: 5,500 - few choice 300-400 lbs. 70.50-80.00, few 500-600 lbs. 61.00-64.00, 600-700 lbs. 60.00-62.00, 700-800 lbs. 58.40-61.50, fleshy 700-900 lbs. 55.50-57.50. Heifers - few choice 300-400 lbs. 68.50-62.50, few 400-500 lbs. 55.25-58.50, 600-800 lbs. 55.25-58.50, 600-800 lbs. 55.25-58.50.

Brushy Creek Sets Beefmaster Sale Sept. 2, Beeville

Beeville, Texas - Leon M. Barnes' Brushy Creek Beefmaster 5th annual Beefmaster sale will be held Saturday, Sept. 2, beginning at 1 p.m. in the Bee County Livestock Market at Beeville.

Selling will be 60 bulls, a great set of herd bull prospects; and 60 females and bred and open heifers of replacement caliber.

The sale was originally set for Hallettsville, but will instead be held in Beeville.

Barnes reminds everyone to remember the Live Oak County Beefmaster Association sale to be held on Sunday, Sept. 3, at Three Rivers.

Approximately a quarter-million farms ceased operating since 1970.

There's good reason why the Brangus female is America's Number 1 brood cow - she consistently raises calves that make profits for cattlemen!

Experimenting with different breeds and crosses, cattlemen found the 3/8 Brahman - 5/8 Angus combination to be the perfect heritage for a profitable brood cow.

Brangus females are highly fertile and mature early, calving as 2-year-olds with no

difficulties, traits inherited from their Angus forebears. They get longevity and easy calving from their Brahman ancestry, and excellent milking ability from both breeds. Together, these traits make the ideal mother cow.

Calves produced by Brangus mothers wean 75 to 100 lbs heavier than other breeds. They are hardy good-doers that gain quickly on feed or forage. But more important, Brangus calves are preferred by stockers, feeders, packers, and consumers alike. They give you the most pounds of high quality meat at the lowest possible cost, and at the same time bring top dollar at the stockyards and in the supermarket.

Texas Brahman Assn. Convention Held On Padre Island, Connell President

Corpus Christie — "Learning and Funning" was the theme of the 1978 Texas Brahman Association Convention and Marketing Seminar held here at the Padre Island Beach Hotel in Corpus Christie, Texas, July 14-15.

The convention opened up Friday with a TBA directors' meeting. Then, the "learning" began as several qualified speakers discussed various aspects of marketing cattle. Bobby Sale of V Bar Herofords, Stanton, Texas, led off the speakers. Also speaking on Friday was Bud Fichte, a partner in "The Cattle Marketing Group", Arlington, Texas, and James Grote, manager of Grandio Hills Heroford Ranch, Llano, Texas. Those three speakers used their diverse backgrounds to examine marketing techniques.

Following Friday's speakers, the "funning" began with a dinner and Jerry Glover, nationally known entertainer. Glover kept the audience laughing and warmed up the group for the auction that followed. The auction netted \$5,432.15 for the TBA. Items sold ranged from hunting leases to Indian head neckels.

Saturday's program began with Ken Holloway from the American Cattle Soorvices in Oklahoma discussing sales management. Dale Runyon, publisher and editor of the International Limousin Journal in Fort Collins, Colorado, spoke on advertising.

After the speeches, a lunch was served followed by a TBA membership meeting. Harriet Lesker of Ft. Worth won the back cover of "The Brahman Journal" for a month in a drawing. Don Jones of Sugarland was named the TBA Beef Booster of the year and awarded a plaque. A resolution commemorating the loss of J. A. Clifford of Weasaco, Texas, was introduced. Afterwards, officer election were held.

Now officers are: Frank Connell, Thornton, Texas, president; Tom Dean of Cherokee, Texas, first vice-president; Henry Clay Koonz of Placido, Texas, second vice-president; and Wendell Johnson of Buffalo, Texas, secretary-treasurer.

Wendell Johnson presents Dan Jones with his Beef Booster award at TBA convention.

New Directors are: Area 1 — Steve Allen, Madisonville, Texas; Area 5 — J. M. Green, Corpus Christi, Texas; Area 3 — Drew Hubert, Bay City, Texas; At Large — Jimmy Clifford, Mercedes; Dan Jones, Lampasas; Bob Parish, Houston; Earl Walker, Fredericksburg; and Bobby White, Houston.

Paris, Texas — Bill Neeley's Riverwood Farms will put 100 head of top quality gray Brahman cattle on the auction block here, September 30 at 1:00 p.m. This, their second production sale, will be held on the ranch near Paris, Texas.

The offering includes 50 females that will all be bred or have a calf at side as well as 50 bulls. Both top quality herd sire prospects and commercial bulls will be of service age, in good flesh and ready to go to work.

The auctioneer is Ike Hamilton and the sale headquarters is the

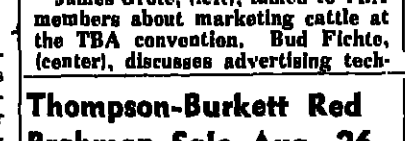

James Grote, (left), talked to TBA members about marketing cattle at the TBA convention. Bud Fichte, (center), discusses advertising techniques with TBA members. Ken Holloway, (right) speaks to guests of the TBA convention about the marketing and sale of cattle.

Thompson-Burkett Red Brahman Sale Aug. 26 At Palestine, Texas

Palestine, Texas — Dr. Jack and Carolyn Thompson and Charles Burkett will host the Thompson-Burkett Second Production Sale of Red Brahman Cattle on Saturday, August 26, beginning at 1 p.m., at the Thompson Ranch near Palestine. Bobby White is a special guest consignor.

Selling from the Thompson Ranch will be 50 females including bred heifers, cow-calf pairs including some three-in-one's bred to Cherokee Negro 1/817, Cherokee Arauto 1/53, and EOD 1/27. Burkett consignments include 35 females including bred heifers and cow-calf pairs including some three-in-one's.

The females include 25 E. O. Doggett bred cows and cow-calf pairs bred to 1/917Y and EOD 421. Special herd bulls selling are Cherokee Arauto 1/583, the bull (CONT. ON PAGE 14)

Wendell Schrank, executive secretary of the ABBA, looks on as ABBA President Dr. Richard Ferguson and entertainer Jerry Glover exchange cards at the TBA convention.

McKellar Red Brahman "Super Cow Sale" Set For October 7

Mt. Pleasant — McKellar Ranch's Tenth Annual Production Sale of Red Brahman Cattle will be held Saturday, October 7, 1978. Sale time will be 12:30 p.m. at the McKellar Ranch located 2 miles east of Mt. Pleasant on Hwy. 69. Lunch will be at 11:30 a.m.

Billed as "The Super Cow Sale," the offering will feature a first in the history of the Red Brahman breed — selling 1/2 donor embryo transplant shares in the two best females on the McKellar Ranch. Three recipient females carrying purebred Red Brahman embryos will also sell.

The sale offering includes 30 pairs (many 3-in-1 packages), 50 bred heifers, 20 bred cows, and 2 outstanding herd sire prospects. Many of the females selling are good enough to go into a transplant program.

Sale headquarters will be the Holiday Inn, Mt. Pleasant, Texas, 214/672-8811.

Auctioneer will be Stanley Stout. For more information and catalogs contact McKellar Ranch, Rt. 5, Mt. Pleasant, Texas 75454, 214/772-9182, Lee McKellar, Owner or Monty Banks, General Manager.

Ramada Inn, Paris, Texas. For reservations call 214/764-0606.

C Bar A Ranch Buys McKenney Brahman

J. S. McKenney and Carl K. McKenney recently completed a transaction with Cleon Almond, owner of C Bar A Ranch, for twenty-five Cherokee and Garvin bloodline Red Brahman cows and Arite (the last Red Brahman bull imported and accepted by the Association for tentative approval for registry.) This will make C Bar A a dominant Red Brahman Breeder in Texas (this herd now numbers seventy). The price of the transaction was undisclosed. Richard McKenney closed the deal for the McKennys.

South Texas Brahman Assn. Announces Supreme Sale Plans

The South Texas Brahman Breeders Association has announced that Bert & Ruben Reyes, sale managers and auctioneers from San Antonio, Texas, will manage and auctioneer the 1978 South Texas Brahman Breeders Supreme Sale to be held during the San Antonio Livestock Show and Rodeo on Saturday, Feb. 11, 1979.

Jim Ferguson, Jr., President of the South Texas Brahman Breeders Association, announced that the sale committee will screen the cattle to assure that only real top quality will be sold in this Supreme Sale. He promptly urged all of the breeders to go and select their very best cattle because the entire Brahman industry will be working together to make this one of the greatest events in Brahman history.

The San Antonio Livestock Show has assured the South Texas Brahman Breeders Association that they will work towards making this sale a real historical event. The 1978 San Antonio Livestock Show and Rodeo should be the largest ever with Saturday, Feb. 11, being the biggest day, drawing people from all over the world. The South Texas Brahman Breeders Association feels real proud of the fact that their sale will be held on what could be the largest crowd of cattle and agriculture people ever to witness a livestock sale.

A hard working and progressive sales committee was elected by the membership. The sales committee consists of Joe Dal of Pecos; Donald Haynes of Pleasanton; Bill Tackitt of Floresville; Vic Maspero of San Antonio; Glen Lothman, Floresville; George Fawcett of Tilden, and John Shannon of Port Lavaca.

LaRue's School No. 2

Under cooler Texas skies about 165 people attended the final activities and BBQ at LaRue's Final Service, Georgetown, Saturday, July 29, 1978. It was awards day for the students of the 8th Annual Cattle Pitting School hosted by Peggy & LaRue Douglas. Don Clark, State Fair, Texas, addressed the group. John Kuykendall, Llano, judged steers and showmanship. Bill Turner, Gonzales, judged Santa Gertrudis, Charolais, Brahman and Brangus cattle.

TEXAS RED ANGUS NEWS

Wilson Farms Red Angus Sale Sets Two New Records

Gallatin, Tenn. — Record shattering prices were paid for an elite herd of Red Angus stock at Wilson Farms complete herd dispersal held on July 28 and 29, 1978. An estimated crowd of more than 300 Red Angus producers attended the sale in which 366 lots grossed \$424,000. Two new breed records were established at the sale. First the \$424,000 gross sale proceeds breaks the previous record of \$328,000 for the highest grossing Red Angus sale in history. The previous record was established in 1975 at the Chico Molding Co. dispersal. Second, the average price per head of \$1158 broke the record of \$1131 per head average established this year at Moreland Farms dispersal in Timberville, Va.

In addition, 64.88 bulls averaged \$1002 at the Wilson Farms sale, establishing it as the highest averaging bull sale for Red Angus in 1978. The top selling bull was a 2-year-old which sold for \$25,700. Also in the offering were 108 cow-calf pairs that averaged \$1189; 104 bred and open females averaged

\$879. The overall gross on females was \$298,830 to average \$990. Wilson Farms, located near Gallatin, Tenn., is owned by Wlet Comer. Comer's herd had been scientifically developed for top performance for more than 26 years. Much time and genetic engineering had gone into creating one of the most highly demanded blood lines in the Red Angus breed.

Red Angus Show Highlights Grand National Exposition

Six livestock classes will feature breeds new to the 34th annual Grand National Livestock Exposition, Rodeo and Horse Show when it opens a 10-day run at the San Francisco Cow Palace October 27-November 5. The prestigious "three-shows-in-one" Grand National features 3,000 of the quality livestock in North America competing for a total of \$147,816.50 in beef cattle, swine and sheep divisions. Entry deadline is September 21. Highlighting the new breeds is the \$5,000 Silver Anniversary Red Angus National Super Show and Sale, November 3-4, and the \$2,955 Register of Merit, November 5. Pen of Five Bulls on November 1. The other new cattle event is a \$1,500 class for Limousins.

Livestock exhibitors have until September 21 to enter the Grand National Livestock Exposition, Rodeo and Horse Show being held October 27-November 5 at the San Francisco Cow Palace, Grand National Manager Darrell Chapman announced. For entry information, contact the Livestock Department, Cow Palace, P. O. Box 34208, San Francisco, California, 94184, (415) 584-2480.

Big Texas Delegation Expected To Attend Red Angus Convention

A big Texas delegation is expected to attend the Red Angus Association of America Silver Anniversary national convention in San Francisco Oct. 31-Nov. 4. Carolyn Carter, member services secretary of the ARAA in Denton, said flight reservations for a greatly reduced air-fare to fly to the convention, and that many more are expected. A round-trip fare of \$145 can be obtained if reservations are made by Sept. 29, she said. The flight to San Francisco leaves Dallas-Fort Worth Monday, Oct. 30, and return flight leaves San Francisco at 12:01 a.m., Monday, Nov. 4. For flight reservations, information, or assistance with reservations at the convention, call Carolyn Carter at 917/881-3602, or write the Red Angus Association of America, Box 776, Denton, Texas 76201.

Leachman Red Angus Sales To 5 States Average \$1,361

Billings, Mt. — Leachman Cattle Co., Billings, Mont., anguines strong private treaty demand for Red Angus females this summer with the sale of 62 females to buyers from five states. The bred purebred females ranged from \$700 to \$2,000, averaging \$1,361, the commercial pairs brought \$850 and the commercial heifer calves averaged \$450. Countless visitors have visited the renowned breeding establishment throughout the summer. Sold yearling bulls, Leachman will have 60 senior bull calves coming off test in August, available for private treaty early this fall. Possible purchases are as follows: McLean Ranch, Willard, Mo. — 20 full calving cows bred to Leachman National 1704 and Midland Chief 1121. Frith Cattle Enterprises, Libertyville, Ill. — 5 cows bred to Thunderbolt for early 1979 calves. Carol Sanders, Ashe, Or. — 8 cows to breed to Leachman Chief 606. Bobby Mitchell, Okla. — 3 cows exposed to Thunderbolt. Don Blackwell, Gilson, Mo. — 6 commercial pair and 20 commercial heifer calves.

Red Angus Silver Anniversary In SF Cow Palace

Denton — Red Angus breeders will celebrate their 25th year as a breed registry when their Silver Anniversary Convention commences on November 1 in San Francisco, Ca. The four day Silver Anniversary affair will begin with the 25th annual meeting of the Red Angus Association of America on November 1 and 2 at the Airport Hilton Inn in San Francisco. On Nov. 3, the Silver Anniversary National Show will be held in conjunction with the Grand National Livestock Exposition at the Cow Palace and will be judged by Dr. Joe B. Armstrong, University of Georgia Beef Extension Specialist, Covington, Ga. The evening of Nov. 3 is reserved for the annual awards banquet and the Silver Anniversary Ball which will be held at the circular ballroom of the Airport Hilton Inn.

The Silver Anniversary National Sale will begin at 10 a.m. on Nov. 4 at the Cow Palace with Auctioneer Bill Lefty of Lincoln, Ca., working the block. Red Angus breeders from across America will be in attendance to celebrate 25 years as America's first performance registry.

Red Angus Show, Sale To Be Highlights Of National Convention

Denton, Texas — A big show and sale are expected to be two of the highlights of the Silver Anniversary National Convention of the Red Angus Association of America in San Francisco, Oct. 31 through Nov. 4. Mike Sweet, executive secretary of ARAA, said there will be 115 head competing for honors in the show in San Francisco's Cow Palace Nov. 3. Dr. Joe Armstrong, beef specialist at the University of Georgia, will judge the show.

Two members of the Texas Junior Red Angus Association, Bobby and Barry Nabours of Temple, are planning to take animals to compete in the show. Sweet said 40 head of cattle from 25 herds scattered all over the nation have been accepted for the sale, which will be held at 5 p.m., Monday, Nov. 4 in the Cow Palace.

Seventy-two percent of the surface of the earth is covered by water.

Red Angus Bull Test Postponed Until Sept. 22

Corsicana — The Texas Red Angus bull test originally scheduled to begin at Navarro College here Aug. 18 has been postponed and will begin Sept. 22 instead. Clifford Halfmann, Rowena, president of TRA, and Tim Bauer, Winnie, a director, will meet with Wayne Burkhalter Jr. of Navarro College early next week to work out details of the test. "We expect as many as 40 bulls for the test," Halfmann said. The delay in starting was to accommodate breeders whose bulls would have been too young to go on test Aug. 18, Halfmann said.

ROOF COATINGS
Old roofs of composition shingles & old cedar shingles, can be extended many years. Anyone can apply by brush. M.A. BLACK is a mineral asphalt that dries in 30 minutes. Being thin, it penetrates the cracks and seals by itself, stops most leaks. Not a tar. T.M. WHITE is a white coating developed especially to be brushed over the old roof. Either may be used without the other. Best recommendation is that the M.A. BLACK be applied and then two coats of T.M. WHITE. This very permanent repair, at a cost of less than a new roof. The white surface contributes much to cooling in summer. This is our 28th yr. Write for our catalog. We ship same day order is received.

Chilton's 3C Sale
Aug. 12 Marks "End Of Angus Dynasty"

Weatherford, Texas—One of the leading Angus herds in the country will be sold Saturday, August 12, 1978 in the complete liquidation and guaranteed dispersion of the Chilton's 3C Angus Herd. Sale time is 10:00 a.m. at the ranch near Weatherford, Texas.

The offering of 300 head of Angus cattle is billed as "The End of an Angus Dynasty." Selling will be 2 herd bulls, 30 serviceable age bulls, 150 cows, many with calves and 70 brood and open heifers. The sale will feature the get and service of Tail N Emulous 551 (CMS), the world's only 100% Certified Meat Sire with every bull in his pedigree a Certified Meat Sire. One-third interest in this bull will sell.

Other featured sires are Empire Maverick, Montyman, Great Northern (CMS) and Emulous Pride 70. The get and service of these sires will sell.

For information and catalogs on this sale contact: Chilton's 3C Angus Ranch, Bob Perkins, 817/694-6387 or 694-8711, or the sale management, Tom Burke/Bernie Scher, American Angus Hall of Fame, Smithville, Mo. 64089.

Quarter Horse, Brangus Sales Set Aug. 11 & 12 At Sisterdale, Kerrville

The "Best of American Breeds" Quarter Horse and Brangus sales will be held by the Texas Group, Quarter Horse breeders at Brink's, Kerrville, Texas, Saturday, Aug. 11, at 1 p.m. and the Brangus production sale at Brink's (Shelton), Kerrville, Texas, Sunday, Aug. 12, at 1 p.m.

The Texas Group consists of Brink's Quarter Horses; Rex Caudle; Louis Pearce, Jr.; R. N. "Dick" Freeman and Shelton Enterprises. They will have an offering of 70 lots including trained cutting horses; team roping horses; yearling halter and performance prospects; and two proven studs, Steel Target, Pacific Coast halter champion; and Baron Jack, AQHA Champion.

For catalogs, room reservations or information on the horse sale contact Brink's Quarter Horses, Wayne Pooley, manager, P. O. Box 126, Sisterdale, Texas 78066, phone 512/324-2211.

The Choyo-Brink's Brangus sale will sell only the genetic influence of the great Brangus bull, General (CMS), sire of champions, herd sire prospects and ideal Brangus females totaling 70 lots of herd prospects, young pairs and bred heifers. This sale will have cattle from Choyo Ranches and Brink's Brangus. Guest consignors: Cross N Ranch will sell its interest in General including its semen inventory. The cattle sale will be managed by P&F Cattle Co., P. O. Box 807, Bellville, Texas 77418, phone 713/865-3610.

For catalogs or information on the cattle contact Choyo Ranches, Glen Urban, Manager, P. O. Box 304, Camp Wood, Texas 78839, phone 512/697-6828; or Brink's Breeding Corp., Box 1347, Kerrville, Texas 78028, Glenn Brinkman, general manager, phone 512/867-4283, on either sale.
